Surrey, December 2006

Written by Hans Summers Wednesday, 08 April 2009 19:02 - Last Updated Monday, 22 December 2014 06:51

Thanks to the <u>Surrey Radio Contact Club</u> for inviting me to be their December 2006 speaker and making me feel so welcome.

<u>Surrey Radio Contact Club website</u> SRCC January 2007 newsletter, writeup of my talk

The talk was done from the same slides as my Rochdale talk. Pat G4FDN introduced me to the SRCC members. During the half-time break some members of the audience gather arounded for a closer look, or to ask a few questions. I had with me a selection of homebrew equipment:

Polyphase receiver,

CW transmitter

ATU/dummy load/power meter

Power supply
